THURSDAY NIGHT ACTIVITIES

Caricature Artist

Thursday evening during the pre-conference exhibit hours, 6:30 – 9:30 pm
Caricature Artist Adnan Shati (www.idrawacrowd.com)

Take home a one-of-a-kind memory of the Annual Conference by getting your caricature drawn by Adnan Shati! It only takes about four minutes and the result will be yours forever. Not brave enough to get yourself drawn? Then watch Adnan work his pencils and create caricature likenesses of township officers and maybe even MAT staff! The drawings are free for registered attendees and this event is time limited so not everyone can be drawn. There are two areas to get your picture drawn. See layout map on the back of this guide for locations.

A Special Exhibitor Sponsored Door Prize Drawing will be held at 9:00 pm Thursday for early bird registrants only!

Thursday pre-conference function – This activity of visiting the participating exhibitors allows you the opportunity to meet and learn what the exhibitor has to offer your township.

The Bingo Game is to encourage you to visit with, and obtain information about our exhibitors, not just getting your card signed! Please be courteous when requesting a signature, and take the time to learn about the vendor and their products or services as the fees they pay help keep your registration fee down. The bingo card drawing will be held during the dessert buffet Friday afternoon at approximately 1:00 pm. **All cards MUST be signed!**
